“ I was shocked to hear the news about Charle's passing. Sending deepest sympathy and prayers to cousin Dorothy and also to Chuck's sons, and all of his loved ones. I'll always remember how beloved he was by his parents and how proud they were of him, and how much they all enjoyed the Penn State years. I'm so very sorry for your loss.

My thoughts and prayers are with the Vail family. I may have not known Charles well, but his son Cody is a dear friend. I hope that Cody, and his brother find peace in this time of need.
