“ I remember meeting you and Stanley once in my life many moons ago. At that time there was a great dane that lived there. Your son Michael, my 'dad' brought me there. Even though we had no relationship, I still wanted to say Rest In Heaven. Just found all of this out. Regardless of everything, I wanted to pay my respect. You do have grandchildren and great grandchildren. Well you knew my sister but not myself or my son. Rest easy

“ Having grown up with "the kids" on 8th street,,, I have so many fond memories and enjoyable chats with Mickey(& Stan) over my life. Being an RN also, me and Mickey would talk at great length, at the car lot.  
The Holmes family, Mickey, Stan, Michael, Tom and Lisa are the quality type of Eastonians that are/will always in your heart/spirit.  
Much sympathy to Lisa.
