“ Dad, daddy, buddy.... lol. Your granddaughter and daughter love you so much, words cannot express how heartbroken we are now without you. You were the best father to turn out to be, thank you for being there. I'll miss it, hearing ya ring the doorbell..... wish I would've taken more consideration in our short visits. I'd never leave if I knew that was going to happen.. I love you. Auti Lee

*Jerry, I'm at a loss of words right now, I thought we'd have more time together. That was not the phone call I wanted to get. You were an awesome dad to get to know in the short time I got to know you. I wish we had more time together. I regret not bringing the Camaro Friday to take you for a ride in. You were an awesome man to get know. You be greatly missed. Rest easy dad. Love you ❤️*
