“ I am so sad to hear about the passing of your Mom Laurie and grandmother Rachael and Robin. I can not tell you how many times she has told me how much she loved you all. I was her bro or for many years before moving not far away from her. She was the one that gave us the love of a Rottweiler even though Bubba hated us! Lol She helped train our first one and my sisters first one. Now my daughter and almost my whole family are owners of Rotties ! She was always going up and down 512 on that scooter and coming to my house to just say hi. I will truly miss her . My heart and prayers go out to all of you. May you all look into your children’s eyes and see the love that she had for you all . I know she is with her horses and dogs now and no more suffering. I’m here if you ever need anything! 💔😞
