“ As I kid I spent so many summers there. She would come for holidays and bring me so many beautiful outfits. Her baking was always so delicious. I would sit and copy recipes. Later in life I would visit for the "big time". These last few years were bitter sweet. I would do my best to visit every other week. Upon my next to last visit, she told me not to cry for her when shes gone. I told her if I did they would be happy tears that she would be in a better place. I will miss our visits. Rest in peace...Annette

Sue, Louis and family,
My deepest sympathy.
She was a lovely woman. I will never forget how friendly and nice she was to my mother and I. We always enjoyed talking with her. My mom thought the world of her. May she rest in Eternal Peace. Sincerely,
