I will always cherish our friendship of 83 years. I fondly remember our long talks,
our duets playing the piano and singing, and our many times out to lunch. She
may be gone but I will never forget her.

“ Ted, Justine, Anthony, Cetta, Anmarie and families
My heart is heavy with the news of Becky's passing. There are so many fond
memories of our childhood right through to this present day. The hair shows that
she would drag me along to so she had a model to showcase her talent on. Our
many trips together, day trips, going to New York, and the trip to Tennessee to
see Bryan sing, her crazy driving and so many, many more. She was more like
my sister than my cousin. I am so glad that I had the opportunity to talk with her a
few weeks ago.
We pray for you as you go through the valley of the shadow of death. May the
same God who has welcomed her into his presence now comfort you in your
grief.
We are with you in Spirit & in Prayer this week. Our love & fond memories ~

Becky and I were born 3 weeks apart.
She gave me a Pixi haircut while going to school.
She kept all the family in style.
My heart is sad to lose a fun cousin. All the Scognas send love .
