“ *My deepest sympathies to the Pocono Harveys and family , my prayers are with you. Uncle Stephen was a great guy and lots of fun to be around. Some of My best memories are sitting around Auntie Anne’s kitchen table and listening to her, Dad, Uncle Stephen and Aunt Barbara talking about the old days and stories of Grandma and Grandpa. Uncle Stephen always had a good story with great jokes that Grandpa Harvey would tell, and then he would laugh that great big laugh of his after telling the joke. Very fond memories. My thoughts are with you all on this day. Love, Matt Harvey*

“ Uncle Stephen gave my family the grad tour of New York when we visited with our children, and loved every minute of time spent with him and Barbara. He was a great little brother to my dad, talking about the times they shared together and touring schools and homes in Brooklyn. Your family visit's to the West coast were always a wonderful time spent together conversing and sightseeing He always called to check on mom regularly, she so enjoyed his conversation. those calls will be missed. We are thinking and praying for you during this difficult time and send our love and hugs.
