“ Dear Christopher, Nicole & family! I just read that your mother passed. I'm so sorry to read this. I thought of her often & she was in my prayers daily. I think of her every time I talk of driving over the mountain in the snow. The people at her work called her snowflake. I will remember her fondly. Blessings for her to have peace!!! 🙏🙏

“ *My deepest condolences to all members of Aunt Terri's family and friends. I have broad memories of Aunt Terri that go back many, many years and even include her parents! There's a word I think of when I think of and it's LADY! She was always poised, always elegant, and always gracious. And quite frankly, she made the best fruit stuffing I ever tasted in my entire life! She always had a smile on her face and time in her heart. May God bless her and keep her by his side. I'm thinking about you Izzy stay strong! Best to everyone with lots of love and deepest condolences, Lisa Ingetti Carroll*
